

Precious Gifts Class is a gathering of post-abortive women and, or men in an effort to deal with, recognize, and process the trauma of the abortion experience, in addition, to allowing the Holy Spirit to reach in and heal the soul of grief, shame, memories, heartache and anger that has been the result of abortion. We rely entirely on the power of the Holy Spirit to create the safe, loving, accepting and forgiving atmosphere that only Jesus can provide under the circumstances.

The first portion of the day is spent verbalizing memories. (For example, who took them, who encouraged them, the father's response, weather, time of year, doctor's office, food (etc.) We have found that the Holy Spirit will bring the memories to mind for the necessary healing.

The next portion moves into a forgiveness exercise. This is the most vital part of the day. It is necessary to forgive all the people who participated in the abortion (s) in order to move to the next step. We then give the women and or men a tangible symbol representing each aborted baby(ies) and play specially selected music to minister to them. At this time, there is generally a great deal of pain manifested and healing continues taking place.

During lunch the participants view "Tilly" a DVD, by Frank Peretti, based on a novel he wrote. The day concludes with the women and, or men each bringing the symbols to the front of the room. They place them in a casket, lighting a candle on behalf of each baby. They spend time before God recognizing the TRUTH of what has transpired. We then take communion and rejoice in God's love and Jesus' sacrifice for us while enjoying music recognizing the victory is in Jesus.

God has chosen to use this class to do incredible inner healing. The Lord Jesus, through His Holy Spirit comes to do His healing in these ladies and men hearts and lives. We are not counselors and we do not counsel. We merely direct the women through the steps of the day and watch as Jesus does what only He can do.

We are privileged to cover attendee's in prayer and see healing complete through the love of Jesus.
